- Volkswagen®
- Volvo®

SAVES YOU TIME!

Simple operation to automatically scan all available systems and display vehicle system information from one menu screen.

INTELLIGENT DIAGNOSTICS on ZEUS™

Speed, Certainty and Profitability

ZEUS™

- A good practice would be to do a pre scan before any work is done, to make the customer aware of any and all issues.

- Then a post scan after work is complete to confirm the repairs were completed properly.
