THE POWER INSIDE

YOUR DIAGNOSTIC PLATFORM.

Snap-on®

THE POWER TO BE YOUR BEST – FROM A COMPANY YOU CAN TRUST

From electric cars to autonomous vehicles to new vehicle security requirements, automotive technology changes just about every day. The only way to stay on top of it all is with uninterrupted access to an array of tips and techniques, tests, guided resources and graphing capabilities from a constantly updated universe of vehicle data resources — exactly what Snap-on® diagnostic software delivers.

No matter which Snap-on diagnostic platform you choose, keeping your software up to date is the only way to make sure you can always get the most out of it and handle problems that come your way.

2024 MODEL YEAR UPDATE

Chevrolet®, Genesis®, GMC®, Hyundai®, Infiniti®, Kia®, Land Rover®, Lexus®, Mazda®, Mitsubishi®, Nissan®, Subaru®, Tesla®, Toyota® and Volvo®

COVERAGE & TEST HIGHLIGHTS*

Alfa Romeo®
| 2024+ Tonale® model addition with 25 systems

Audi®
| A3® 2007 – 2014 Transmission and Airbag and 2014 – 2020 Airbag, Battery Energy Control Module and Drive Motor Control Module
| A4® 2009 – 2017 Drive Motor Control Module
| A6® 2011 – 2019 Park Assist and Drive Motor Control and 2019+ Brake Booster Module, DC/DC Converter and Drive Motor Control Module

BMW®
| 2008 – 2014 X6® and 2009 – 2010 X6 Hybrid Servotronic and Valvetronic 1 & 2 Systems
| Guided Component Tests for X5® sDrive and xDrive 40i (3.0L), X3® M and M40i (3.0L), X3 M40i Hybrid (3.0L), X5® M50i (4.4L), 330e® and 330® xDrive Hybrid (3.0L) and X5 xDrive 45e Hybrid (3.0L)

Chevrolet
| Guided Component Tests for Colorado® (2.7L), Express® 2500 and 3500 (6.6L), Silverado® (6-, 8-, 10-speed gas and diesel), Camaro® (2.0L), Trailblazer® (1.3L) and Equinox® (1.5L)

Dodge®
| 2023+ Hornet® special functions plus Guided Component Tests for Charger® (6.2L), Durango® (6.2L) and Hornet

2024 CODE SCAN AND CLEAR FOR ALL MAKES!
ADDED MAKE — TESLA!

ADDED MODELS FOR ALPHA ROMEO & LEXUS

Ford®
| More Programmable Module Installation (PMI)
| 2023+ F-Series® Super Duty Engine (5.2L Raptor, 6.8L, 7.3L and 6.7L) and Body Control Module (39 new variants!)
| 2020+ F-150® special functions for ABS, Engine, Low Pressure Fuel System, Passenger System and Auto Headlamp Levelling System and Calibration
| 2011 – 2017 Mustang® Power Steering Control Module
| 2010 – 2018 Focus® Restraint Control Module
| 2021+ Bronco® Special Functions for Power Steering Control Module, Electronic Power Assist Steering, Engine, Low Pressure Fuel System and Passenger System
| Guided Component Tests for E-Series® (7.3L), F-Series (various gas and diesel engine), Bronco (2.3L, 2.7L) and Bronco Sport (1.5L, 2.0L), Edge® (2.0L), Escape® (1.5L), Expedition® (3.5L), Explorer® (2.3L, 3.0L, 3.3L), Explorer Limited/Platinum (3.0L, 3.3L), Maverick® (2.0L, 2.5L), Mustang® (2.3L, 5.0L, 5.2L), Mustang EcoBoost/Premium (2.3L), Mustang Mach1® (5.0L), Police Interceptor® (3.3L), Ranger® (2.3L), Transit® 2.0L (gas and flex fuel) and Transit Connect 150/250/350 (3.7L)

GMC
| Guided Component Tests for 2023 Canyon® (2.7L), Savanna® 2500/3500 (6.6L), Sierra® (6-, 8-, 10-speed gas and diesel) and Sierra 1500 (5.3L)

Honda®

| 2016 – 2022 CR-V® Engine, Power Steering Control Module, Intelligent Cruise Control Module actuator tests and special functions
| 2016 – 2021 Clarity® Intelligent Cruise Control Module actuator tests and special functions
| 2015 – 2020 Civic® Intelligent Cruise Control Module actuator tests and special functions
| 2019+ Passport® Engine actuator tests and special functions

Jaguar®

| 2010 – 2015 XF® Active Damping Control Module codes and data, actuator tests and special functions
| 2013 – 2015 XF® Chassis Control Module codes and data, actuator tests and special functions

Lexus

| NX250®, NX350®, NX450+® and RX500H® models added to Guided Component Tests

Mazda

| Guided Component Tests for CX3®, CX-5® (2.2L), CX30® (2.5L) and CX50® (2.5L)

Mercedes-Benz®

| 2021+ C-Class Sub-systems, read codes, clear codes and review ECUid
| 2022+ EQE® Sub-systems, read codes, clear codes and review ECUid
| New Guided Component Tests for E350® and GLC300® (2.0L), GLE63® and GLE63 S AMG (4.0L); GLC350e® (2.0L), GLE53® AMG (3.0L) and GLC63® AMG (4.0L) Hybrids

Nissan

| Guided Component Tests for Altima® (2.0L & 2.5L), Frontier® (3.8L), Murano® (3.5L), Pathfinder® (3.5L), Sentra® (2.0L), Titan® (5.0L & 5.6L) and Versa® (1.6L)

Tesla

| 2012-2020 Model S® and 2016-2020 Model X®
| 2023 and earlier Models S, X, 3® and Y® Onboard function instructions to find Alert Codes, and how to unlock Gateway and enable/disable Service Mode
| Guided Component Tests for Model S and Model X

Toyota

| Guided Component Tests for Corolla®, Highlander® and Prius Prime®

Volkswagen®

| 2018+ Crafter® Transmission
| 2010 – 2014 Touareg® Anti-lock Brake Control Module

NEW AND ENHANCED FEATURES

| **Security Link™**
Added makes for more access.
Visit **snapon.com/securitylink** for details.

| **SOLUS+™ Spanish**
Now available in Spanish (Y ahora disponible en Español), plus toggle between English and Spanish to view or print Vehicle System reports in selected lanugage on Snap-on® Cloud.

| **Multilingual Product Training**
Online product training available now for French and Spanish, too.

POWERFUL FEATURES & EXCLUSIVES — TODAY AND BEYOND

| **Fast-Track® Intelligent Diagnostics*** The patented Fast-Track troubleshooting workflow and filtered information brings focus to the specific vehicle and code you're working on.
| Exclusive **SureTrack®** provides Real Fixes and verified parts replacements letting you see what has worked for other technicians based on billions of repair records.
| **Security Link** streamlines the process between you, the scan tool and the OEM for direct access to vehicles with secured systems.
| **Snap-on Cloud** online storage, with multilingual support, for up-to-the-second archiving, referencing, retrieving and communicating Vehicle System Reports, thermal images and more to customers, colleagues and insurance companies.
| **Technician Profile** gives you a complete registration account to document your tools and set-up Security Link and Snap-on Cloud.
| Exclusive **Guided Component Tests** shows step by step where and how to hook up, known good waveforms and much more.
| **Guided Component Test Training** with over 70 topics and hundreds of on-tool courses ranging from 5-30 minutes, including Power User Tests, How To's, and more.
| **Location images** identify component location placement within vehicles.
| **Ethernet/DoIP communications** support for relevant Jaguar, Land Rover and Volvo® vehicles.
| The **Diagnostic Health Scan and ADAS Recalibration Reports** provide a useful summary for your customers of the work you carried out.
| **Software plans** to get the most comprehensive coverage and features.
| **Wide-ranging support programs**, including a dedicated **US-based Customer Care team**, extended warranty and free comprehensive online Training and Support.
