## **Snap-on Releases Third Quarter Tuesday Topic Training Schedule**

*Includes New OEM Specific Training Every Other Week*

**LINCOLNSHIRE, Ill., June 17, 2024** – Snap-on® has updated its Tuesday Topic Training schedule for the third quarter with a variety of subjects on a rotating basis, including new OEM specific training. Diagnostics National Trainer Jason Gabrenas will host weekly industry training sessions designed to help professional service technicians learn the latest diagnostic tips and techniques.

The schedule of upcoming training sessions include:

- July 2: OEM Specific Training - Chrysler, Dodge, Jeep, RAM
- July 9: Park Assist Systems
- July 16: OEM Specific Training - Nissan
- July 23: Oxygen Sensor Testing and Repair
- July 30: OEM Specific Training - Mercedes-Benz
- Aug. 6: Modern Ignition Systems Testing and Analysis
- Aug. 13: OEM Specific Training - Chrysler, Dodge, Jeep, RAM
- Aug. 20: Park Assist Systems
- Aug. 27: OEM Specific Training - Nissan
- Sept. 3: Oxygen Sensor Testing and Repair
- Sept. 10: OEM Specific Training - Mercedes-Benz
- Sept. 17: Modern Ignition Systems Testing and Analysis

Two time slots are available for each day of training. The first session takes place at 6:00 p.m. ET/ 5:00 p.m. CT/ 3:00 p.m. PT. The second session is held at 9:00 p.m. ET/ 8:00 p.m. CT/ 6:00 p.m. PT. Training sessions are offered free of charge and provide approximately 30 minutes of material and 15 minutes for questions and answers.

Participants can register to attend via [Zoom](#) or watch live on the Snap-on Diagnostics Training Solutions® [YouTube channel](#).

The YouTube channel also contains previous [live training](#) and [OEM specific training](#) sessions that are available for viewing.

### **About Snap-on**

Snap-on Incorporated is a leading global innovator, manufacturer, and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks including those working in vehicle repair, aerospace, the military, natural resources, and manufacturing. From its

founding in 1920, Snap-on has been recognized as the mark of the serious and the outward sign of the pride and dignity working men and women take in their professions. Products and services are sold through the company's network of widely recognized franchisee vans, as well as through direct and distributor channels, under a variety of notable brands. The company also provides financing programs to facilitate the sales of its products and to support its franchise business. Snap-on, an S&P 500 company, generated sales of \$4.7 billion in 2023, and is headquartered in Kenosha, Wisconsin.
