Snap-on TSS Showcasing New Products at 2024 Automechanika

Conway, AR – Sept. 4, 2024 – Snap-on[®] Total Shop Solutions TSS[™] will introduce and have many of its industry-leading automotive repair products available for demonstrations at Automechanika[®] held Sept. 10-14 in Frankfurt, Germany.

“Automechanika gives us the opportunity to highlight the wide array of innovative solutions we offer our customers,” said Mariana Montovaneli, director of marketing for Snap-on TSS. “We look forward to sharing the latest TSS offerings with show attendees so they can see firsthand how they increase productivity, enhance efficiency and help shops grow their businesses.”

TSS will showcase several innovative pieces of equipment at stand A96 in hall 8, including the Hofmann[®] monty[®] 3300-26 tire changer and duolift[®] HL5500 two-post automatic lift. Other new equipment featured at the TSS booth will include the Pro-Cut[™] X15 on-car brake lathe, the Car-O-Liner[®] BenchRack[™] Versa and the Ecotechnics[®] ECO₂ R744.

The award-winning John Bean[®] Tru-Point[™] advanced driver assistance system (ADAS) calibration system will also be available for demonstrations at stand A96 in hall 8, featuring several new procedures, including the TGT-06 locator targets. The targets have been nominated for a 2024 Automechanika Innovation Award in the workshop and service solutions category.

In addition to *Tru-Point*, the stand will also feature products from other TSS brands, including *Hofmann*, Blackhawk[®], Cartec[®], *Car-O-Liner*, *Ecotechnics*, Josam[®], Kansas Jack, *Pro-Cut* and SUN[®]. Many of the products will be available for hands-on demonstrations.

“Additionally, we are excited to announce that our Tru-Point 3D positioning of ADAS calibration accessories, featuring the TGT-05 and BKT-16, has been nominated for the 2024 Innovation Award in the workshop and service solutions category,” said Montovaneli. “Out of 52 entries, our innovation is one of the top seven, showcasing the dedication and expertise of our team. Being nominated is a proud moment for all of us, and we look forward to the awards ceremony on Sept. 10 where the winner will be announced. Congratulations to our team for this incredible achievement.”
