Upgrade to the Latest Snap-on Software Now, Get Free Spring Software Release

LINCOLNSHIRE, Ill., Jan. 21, 2025 – Snap-on® is offering customers who have not recently updated their diagnostic software, the opportunity to purchase the current [software](#) upgrade now and then receive the upcoming spring software release free of charge. Eligible customers can take advantage of this buy one, get one software promotion through March 30, 2025.

By upgrading to the current software release, technicians will be confident that their diagnostic tool is ready to serve customers from the moment they power-on with the latest coverage and industry-exclusive features for general and collision repair for Asian, domestic and European vehicles.

Highlights of the latest software release include increased coverage to 50 makes, comprised of 16 Asian, 22 domestic and 12 European with the introduction of Tesla®; 2024 model year updates for Chevrolet®, Genesis®, GMC®, Hyundai®, Infiniti®, Kia®, Land Rover®, Lexus®, Mazda®, Mitsubishi®, Nissan®, Subaru®, Tesla, Toyota® and Volvo®; 2024 code scan and clear for all makes; and the addition of new models such as Tesla S, X, 3 and Y, Alfa Romeo® Tonale and Lexus® NX250, NX350, NX450+ and RX500H. There is also more content for Ford® and GMC® cars and light duty trucks.

A preview of the spring release, which comes free of charge if the software is purchased before March 30, includes more 2024 model year coverage updates for Acura®, Alfa Romeo, Audi®, BMW®, Buick®, Cadillac®, Chrysler®, Fiat®, Ford, Harley-Davidson®, Honda®, Jaguar®, Lincoln®, Mercedes-Benz®, Porsche® and Volkswagen®; 2025 code scan and clear for all makes; plentiful ADAS and EV coverage; added exclusive guided component tests and component location images.

Customers should speak with their Snap-on Franchisee to make sure they qualify for the buy one, get one software promotion.

To learn more, visit www.snapon.com/diagnostics or talk to a Snap-on franchisee or other Snap-on sales representative.

About Snap-on

Snap-on Incorporated is a leading global innovator, manufacturer, and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks including those working in vehicle repair, aerospace, the military, natural resources, and manufacturing. From its founding in 1920, Snap-on has been recognized as the mark of the serious and the outward sign of the pride and dignity working men and women take in their professions. Products and services are sold through the company's network of widely recognized franchisee vans, as well as through direct and distributor channels, under a variety of notable brands. The company also provides financing programs to facilitate the sales of its products and to support its franchise business. Snap-on, an S&P 500 company, generated sales of \$4.7 billion in 2023, and is headquartered in Kenosha, Wisconsin.
